TREASURER DUTIES (POLICY)

The treasurer of the College shall be empowered with the overall financial responsibility to oversee the execution of the financial transactions of the College. He shall work closely with the finance office, but shall not have direct line authority over that office. He shall work with the President of the College on all matters that affect the College administration. He shall be the Chairman of the College Finance Committee and shall make reports of the finances of the College and other presentations to the Trustees as a whole as deemed necessary by the Trustees and shall also perform such duties as may be assigned by the Board of Trustees.
